Escape Water Residence

Size: 184 Sq M

No of Villas: 24

Peacefully remote yet close to the island, these are the largest of our over-the-water villas giving you the ultimate feeling of seclusion as you recharge and refresh.

Spaciously comfortable, each villa features high ceilings and large windows that provide a flood of natural light. Elements of authentic Maldivian design can be seen throughout with the use of natural materials and colour.

Showcasing bespoke, comfortable furniture, every room is generous and inviting. There is a separate living room with flat screen TV, stereo and DVD player, bedroom with king-sized bed, large dressing area and bathroom with a double bath, individual basins and indoor and outdoor showers.

The al fresco terrace area, where you will find a four-poster day bed, sun loungers, dining area and your own private infinity plunge pool, is split-level with steps leading into the lagoon.
