YOU TAKE A DEEP BREATH  
WE TAKE CARE OF YOU

## **TGI dive centre**

The TGI diving center's international and multilingual PADI instructor team welcomes you to Constance Halaveli Resort.

We are a PADI 5 star Instructor Development Centre and offer courses from beginners through to instructor level. Our opening hours are from 09:00 to 18:00. We are located on the arrival jetty. The warm tropical waters around

Constance Halaveli Resort are full with a rich diversity of marine life. There are thousands of colorful fish, corals, turtles, rays and sharks that you can discover when snorkeling or even walking around the long beaches of this beautiful resort.

If you wish to see more of the breath-taking marine life we offer a variety of different diving courses for the beginner and excursions for the certified diver.

## **check-in**

The best time for check-in for divers and all information on diving and diving courses: 17:00 hrs -18:00 hrs, daily. The multilingual team will check you in and give you information on dive sites, diving safety rules and prices. For check-in, please bring your diving certification, logbook and your medical certificate if you have one.

## **orientation dive**

After check-in, an orientation dive for the following day will be scheduled.

This orientation dive, which is compulsory by Maldivian regulations prior to engaging in boat diving activities, will be made to a depth of about 10-15 meters for approx 30 min and shall include the practice of the following safety skills: mask clearing, regulator recovery, neutral buoyancy, ascents, descents and alternate air source breathing.

## **left your diving certification at home?**

If it is a PADI or SSI certification then we can check on-line with PADI or SSI.

With any other organization we will need a photocopy of the certification card or a fax, email or letter from the training organizations head office stating your diving qualification.

## **boat trips**

Our boats (Dhonis) leave at least twice a day and are equipped with a toilet, shower, sundeck and for your safety, a radio, mobile phone, life jackets, first aid and oxygen.

## **night dives**

Night dives from the boat are also available; please enquire with the dive centre.

## **reservations**

If you have already checked in with us, done your paperwork and completed your check dive then you may sign up from 14:30 hrs onwards for the following day's dives. If you wish to make a reservation by phone then you may call between 17:00 hrs and 18:00 hrs to sign up for the following day's diving on the dive center.

If you are at the resort and would like to make a booking please call the dive centre at ext. 7154

[CONTACT US](#)

## **diving courses**

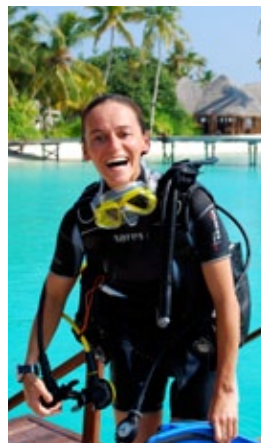

The following PADI scuba diving courses are available for beginners in English, French, German, Italian, Japanese, Mandarin, Portuguese, Russian, Swedish and Spanish.

Please note that completing a PADI medical form is compulsory to take part in any of the courses offered. Alternatively, a medical certificate from a doctor stating that you are fit to participate in scuba diving activities will be accepted. The minimum age for all diving activities is 8 years and anyone under 18 years must have a parent or guardian to sign and complete the PADI medical form or show a doctor's certificate.

## **padi discover scuba diving**

For all who have never dived before but wish to explore the marine life and experience a dive with scuba equipment, we show a 30 min video along with a brief lesson with your instructor, followed by a shallow water session in the lagoon and a dive at a nearby dive site. This course lasts half a day. Extra dives may be made after this experience if requested.

## **padi scuba diver**

This internationally recognized diving course is taught to PADI standards and consists of 3 academic sessions with 3 confined water training sessions followed by 2 open water dives. This certification is valid for the rest of your life and allows you to go to a maximum of 12 m accompanied by a professional guide/instructor and will take 2 to 3 days.

## **padi open water**

As above but consisting of 5 academic sessions with 5 confined water training sessions followed by 4 open water dives. This certification is valid for the rest of your life and allows you to dive to a maximum of 18 m in pair with a diver of at least the same training level. This course will take 4 to 5 days.

## **manta ray awareness**

A signature course, this PADI specialty course will answer all your questions about mantas. Topics cover manta anatomy, feeding and mating behaviors, cleaning stations and seasonal movement. A specialty unique to Halaveli and written by our dive center manager Alexis Vincent. The course comprises of a two hour Lecture/Power Point presentation followed by two dives at our world famous manta point (in season).

## **shark awareness**

Another signature course, this PADI specialty course will answer all your questions about sharks. Topics cover different species, shark anatomy, feeding and mating behaviors, myths about sharks and seasonal movement. This course has been written by PADI Course Director Giuseppe D'Amato. The course comprises of a two hour lecture/Power Point presentation followed by two dives at local dive sites where sharks can be seen.

If you are at the resort and would like to make a booking please call the dive centre at ext. 7154

## continuing education

A variety of other courses for divers wishing to learn more is available. We offer the PADI Advanced, Rescue, Emergency First Response, other specialties such as Night, Deep, Nitrox, Navigation, Wreck, Under-Water Photography and Videography, Naturalist, Project Aware, Fish Identification, Boat, Drift, etc...

## private instructor and private boat charter

We offer private instructors and private boat charters for those wishing to have the undivided attention of one of our instructors and the privilege to dive without other divers around. A true 5 star experience.

## nitrox 32 diving

TGI Dive Centre Halaveli offers Nitrox diving for those qualified; courses are available for the non-nitrox certified.

## photo and video services

The TGI Dive Centre dive centre also offers a variety of services such as private photo or video shooting session both above and under the water. A wonderful way to keep your memories alive or use as a gift for family and friends. The memory card of your camera is full? Why not download and burn it onto a disk? Evening photoshoots on the beach will capture the moment forever. Our professional photographer will create a series of photos set to music which can be played on computer.

## diving packages

Whether it's for you alone, a honeymoon adventure or for the kids- our diving packages give you a discounted experience to make an unforgettable vacation. Come to the diving center to discuss all of your options with our friendly team of instructors.

If you are at the resort and would like to make a booking please call the dive centre at ext. 7154
