Windy 52 Xanthos

The soul of a super cruiser

The Windy 52 Xanthos is unashamedly special, a premium quality high performance Motor Yacht. Step on board and the skill of the Windy shipyard is immediately evident. The Xanthos is designed to go to sea, her hull slicing through the waves – an outstanding experience with exceptional forward vision from the smooth and level riding hull design.

The Windy comes with a large electric sunroof, the effect when it is open is almost one of an open boat; fully close the doors and the wheelhouse becomes a luxurious saloon, light and airy. At night it becomes cozy and welcoming, everywhere the Windy's obsessive quest for quality is evident. A wide stairway leads down from the upper saloon and the style and finesse of the woodwork is immediately apparent.

To starboard there is a large galley that blends in perfectly with the rich quality feel of the high gloss timberwork and opposite is the saloon - this area exudes the aura of a serious, immaculately appointed motor yacht. The forward stateroom has its own spacious shower/heads compartment and there are also two luxurious guest cabins.
